PROGRAM 13

```java
public class Foreach
{
  public static void main(String[] args)
  {

    Integer arr[]={12,8,9,5,3};
    System.out.println("The elements in the array are : ");
    for(Integer i:arr)
      System.out.print(i + " ");
  }
}
```

OUTPUT :

The elements in the array are : 12,8,9,5,3
